#FemHack

A youth empowered hack jam

Presented by:
The 22nd Women's Studies Conference:
#FeministIn(ter)ventions: Women, Community, Technology"

THE CHALLENGE:
HOW DO WE GET MORE WOMEN INVOLVED IN THE GREATER NEW HAVEN TECH SCENE?

Our Flow:

✦ A one day event where teams of youth will prototype, design, and pitch a campaign, website, app, or technology.
✦ Guest panelists will lead a consensus ballot vote to choose winners.
✦ Teams of 3-5 must consist of at least fifty percent members who do not self identify as male.
✦ Mentors from Southern Connecticut State University Computer Science Club and A100 will be available for each team.
